IMPORTANT NOTE

This handbook is designed to acquaint licensed staff of the Thompson School District with some information about working in the district. The handbook is not all inclusive, but is intended to provide employees with a summary of some of the Thompson School District's guidelines and practices. The Board of Education also has school district policies, Memorandum of Understanding (MOU) and if this handbook conflicts with Board of Education policies or MOU policy, those policies shall prevail. If there is a conflict with federal, state, or local laws, the laws prevail.

The policies and procedures contained in this handbook are referred to in Article 3-7 of the MOU. The need may arise to change the guidelines described in the handbook. This handbook does not represent a contract, is not meant to be enforceable as a contractual obligation of the Thompson School District, and should not be relied upon as binding, inflexible promises made by the school district.

This handbook is designed as a supplement to the Memorandum of Understanding. No employee handbook can anticipate every circumstance or question. After reading the handbook, employees who have questions should talk with their immediate supervisor, association representative, or the Department of Human Resources.

A Note from Human Resources

This handbook was developed to describe some of the guidelines, practices, programs, and benefits for employees. SECTION 1: GENERAL INFORMATION

Article 9-2. - Military Leave

- 9-2-1. Subject to conditions prescribed in C.R.S. §28-3-601 through §28-3-607, and with appropriate advance notice, any teacher employed by TSD who is a member of the Colorado National Guard or the reserve forces of the United States shall be entitled to leave without loss of pay for all the time engaged in training or active service ordered or authorized by proper authority, but not exceeding 15 days in any fiscal year. Such leave shall be allowed if the required military service is performed satisfactorily. The teacher must return to work immediately on being relieved from such military service.
- 9-2-2. If the teacher is required by proper authority to continue in such military service beyond the time for which leave with pay is allowed, he/she shall be entitled to leave of absence without pay for the additional service. Reinstatement shall be in accordance with C.R.S. §28-3-604.

Article 9-3. – Jury Duty

- 9-3-1. Employees shall be granted leave with full pay when called to jury duty, ordered to appear in a proceeding pursuant to subpoena or other court order. After the first three days of jury service, the district shall deduct the state wage of \$50.00 per day of jury service from the employees pay as an offset. (Board Policy GBGK)

Article 9-4. - Political or Legislative Leave

- 9-4-1. A teacher who serves in an elected or appointed governmental position may request and receive Board of Education approval for unpaid leave to perform the duties connected with that position when those duties require an absence from their position with TSD. The request for unpaid leave should include documentation supporting the amount of leave time requested.

9-12. - Family and Medical Leave

- 9-12-1. Unpaid family medical leave is available under the Family and Medical Leave Act and Board Policy GBGF/GBGF-R*. Employees entitled to paid leave under other policies or sections of the Memorandum of Understanding will use their paid leave first for part or all of their family and medical leave in accordance with FMLA guidelines.

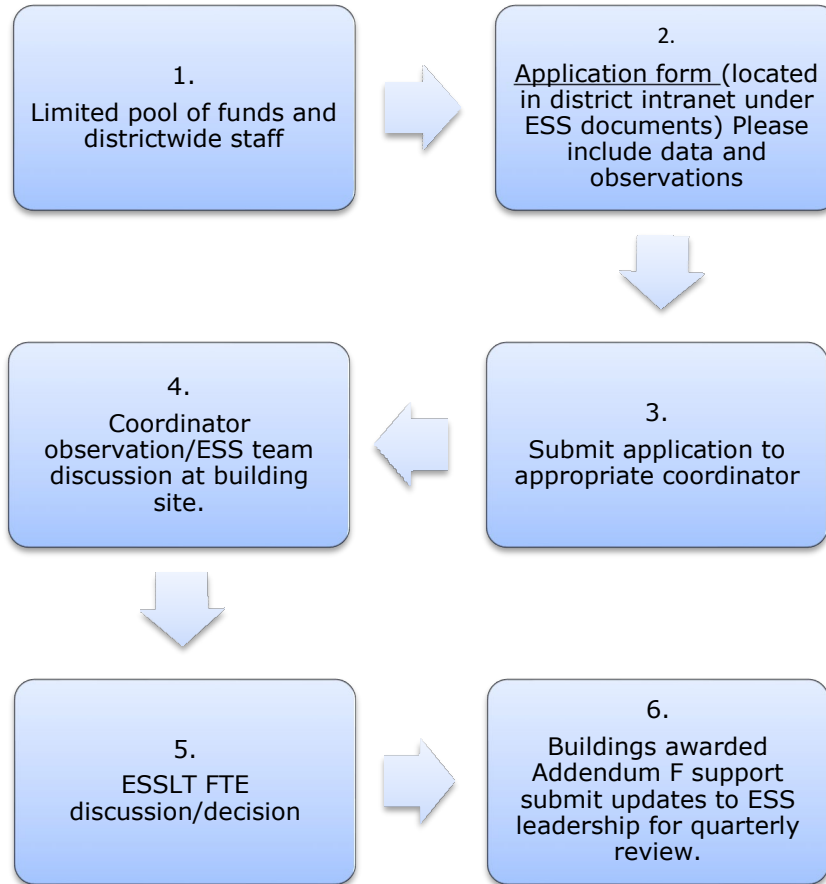

9-13. - Leave Related to Domestic Abuse

- 9-13-1. An employee who is the victim of domestic abuse or related crimes may request and shall be granted up to three working days of leave from work without pay in any 12-month period to attend to certain related matters. (See Policy GBGL* for definitions and description or eligible purposes.)
- 9-13-2. The employee does not need to exhaust his or her annual or grandfathered leave prior to being granted leave related to domestic abuse.

ADDENDUM F – SPECIAL EDUCATIONAL SERVICES REVIEW PROCESS FOR ADDITIONAL SUPPORT

Because Special Education has a unique administrative structure, it requires its own review process. This review process allows Special Education teachers or staff members, who have concerns about meeting the needs of their students, to request additional support. Although it is hoped that a solution to the concern will be found, such a solution cannot be guaranteed. Communication and team problem-solving is the main intent of this process. All Addendum F positions are subject to review quarterly. It is not intended to address a cap or caseload limit. The steps for the process are given in the flowchart:

Addendum F Process

This is a non-grievable process.

ATTACHMENT 1 – COLLABORATIVE DECISION-MAKING GUIDELINES

The Board, the Association and Administration are committed to having a collaborative decision-making process implemented at every work site in TSD. A trust building and collaborative process involving the entire staff will be used at each site to develop its protocols for a decision-making spectrum which includes collaborative decision making.

All stakeholders (parents, teachers, administrators, business people, classified staff employees, senior citizens, students, etc.) should be encouraged to participate in improving the effectiveness of the educational system through their diverse input.

All employee groups will be required to share some responsibility for decision-making and collaboration at schools and other work sites within TSD.

Any shared decision-making process in TSD should:

- Include time for continued training, implementation, and assessment
- Represent the diverse nature of its stakeholders
- Employ a method of recording decisions and keeping other records
- Include a process for revisiting decisions
- Be based on a clear understanding of the division of the responsibilities in TSD.
- Include a means for communicating essential information and coordinating decision with affected groups.

◇ **Continuum of Decision-making:** while not all decisions can be made with 100% collaboration, it is desired that most decisions exhibit collaboration and inclusion.
